**Welcome to the
Little Critters Preschool Program**

Each preschool class is set up with care to provide your children with a “CAN-DO” environment. Age appropriate toys, learning aids and outdoor time keep children stimulated while they socialize and learn each day.

*(1) **Class size:** Phoenix class sizes are much smaller to ensure each child gets the personal attention they deserve. Parents are welcome in all our classes.*

*(2) **Class length:** Not too long . . . little ones need some structure and some play time. Two hours is just enough time for children ages 3-4 years.*

*(3) **Early learning:** Our preschool teacher works closely with our expert kinder teacher – together they provide amazing opportunities for children to learn and grow.*

*(4) **Fine arts:** Our teacher offers students many different methods to learn while they express their creativity. Students engage in music, arts and crafts, storytelling and more.*

*(5) **Academics:** Numeracy and literacy are promoted through our fun learning environment.*

*(6) **Field Trips:** Preschool children are welcome to participate in many of the kinder field trips throughout the year. Parents must provide transport, and additional fees may apply.*

*(7) **Flexibility:** Create a custom schedule that works best for your little one and your family.*

**Why not enroll your little critter for
preschool this year?**
